B Tech Engineer

CAREER OBJECTIVE

Passionate about developing innovative software solutions, seeking an entry-level IT role to apply Java and Spring Boot skills. Eager to enhance backend expertise, collaborate with professionals, and contribute to organizational success.

EDUCATION

Bachelor of Technology (B Tech) | Sveri's College of Engineering, Pandharpur

2020 - 2024 | CGPA 9.2/10

Higher Secondary Certificate (HSC) | Baburao Jadhav Vidyalaya, Pandharpur

2019 - 2020 | Score: 61.85%

Secondary School Certificate (SSC) | Shree Shivajibhau Baba Patil Vidyalaya, Ropale

2017 - 2018 | Score: 87%

PROJECTS

Expense Tracker System [link](#) | Java Spring Boot, MySQL, Postman

- Built a full-stack expense tracker with Spring Boot APIs for smooth data operations, allowing users to login-logout, and sort expenses with detailed monthly report.
- Tested API endpoints using Postman to ensure reliable performance.
- Deployed the system for real-world use, demonstrating end-to-end development skills.

Employee Management System: [link](#) | Java Spring Boot, MySQL, Postman

- Developed a Spring Boot Rest API's backend to manage employee data securely, with proper validation and error handling.
- Achieved reliability through manual testing with postman.
- Structured the database in MySQL for efficient querying and scalability.

Portfolio: [link](#) | React, HTML, CSS.

- Developed a responsive portfolio using react, html, and css, with a focus on cross-device compatibility.
- Used libraries like framer motions, react router and swiper to enhance interactivity and smooth animations
- Structured the project using react components for better code reusability and performance optimization.

INTERNSHIP

- Internship:

- Applied theoretical concepts to real-world scenarios, enhancing practical development skills.
- Gained experience in back-end development with Java Spring Boot and MySQL.
- Improved problem-solving skills by creating scalable and efficient solutions.
- **Internship Certificate:** Successfully completed a three-month internship at InstaICT Solutions Pvt.Ltd.

TECHNICAL SKILLS

- **Programming Language:** C, Java, Spring Framework
- **Database Management:** MySQL.
- **Web Development:** HTML, CSS, JavaScript, React.js
- **Tech Stack:** Postman, GitHub ,Visual Studio, Spring Tool Suite (STS), Eclipse, IntelliJ idea,
- **Operating Systems:** Windows
- **Familiar With:** API Integration , Deployment

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
